Subject: NIEHS and formaldehyde

FYI

I was talking to Linda Birnbaum yesterday and she asked if I knew when the NAS report was coming out. I told her on or about April 7...

Deliberative Process / Ex. 5

You may recall me telling you that I did a brain dump of the formaldehyde story for John Bucher a few months ago when they were going to brief Secretary Sebelius. We might want to touch base with her (especially if it is released on April 7) to send her a copy.

Also, **Deliberative Process / Ex. 5** Not sure if you knew this. I also don't think that they have announced it.
